Dear Sir:

It is my pleasure to inform you that the Joint Chiefs of Staff have allocated four student quotas in the Fifty-Fourth Class at the Armed Forces Staff College, to be filled by representatives of the Central Intelligence Agency. It is requested that you furnish the College with confirmation of your intended use of the quotas by 15 March 1973 in order to facilitate early distribution of any unused quotas.

In order that the College may communicate directly with the selected nominees, the following information is requested by 9 April 1973.

- a. Names, grades and complete mailing addresses.
- b. Statement confirming clearance for access to Top Secret information, and "Q" clearance.

To participate fully in the course of instruction, it is necessary for your representatives to possess a "Q" clearance from the Atomic Energy Commission, as well as a Top Secret Clearance. A delay of approximately ninety to one hundred twenty days may be anticipated after the Atomic Energy Commission receives such a request before a "Q" clearance is granted.

The reporting period for the Fifty-Fourth Class is 13-17 August 1973; the convening date is 20 August 1973; and the graduation date is 18 January 1974.

Adequate quarters are available for bachelor students and those attending with their families. Students desiring quarters should so indicate on the housing questionnaire which will be inclosed with the Commandant's welcome letter. The allocation of on-station quarters to those students desiring them will begin 15 May 1973.

Any questions or inquiries concerning your representatives' attendance at the College will be handled by my office, and we stand ready to assist you in any way we can.

Sincerely,

HAROLD D. LYNCH
Major, USA
